Sir,

[illegible]-24-22-0-[illegible]4th [illegible].

With reference to your statement, in form [illegible] of the duties performed in connection with your homestead and pre-emption entries for the half section above mentioned, I beg to inform you that as you did not furnish evidence with regard to farm labour under the orders in Council of the 20th February 1917, and the 7th March, 1917, within the time prescribed by law, you are entitled to no credit for the time and particularly as you were employed in a similar capacity by Mr. [illegible] Neff in 1915 before the orders in Council in question were in operation.

Under the circumstances it will be necessary for you to put in another term of six months residence on your homestead before you will be entitled to make application for patent therefor. With regard to your pre-emption I may say that when you have put in the required residence, there is apparently no reason why you should not make application for both homestead and pre-emption, it being understood that you have eighty acres under cultivation, and that a reasonable proportion thereof has been cropped every year up to the present. If by any chance you have not had the land under crop during the past year or so, it will be necessary for you to crop during next season not less than fifty acres. A period of thirty days from this date will be granted you within which to state your intentions.

Your obedient servant,

Assistant Secretary.

Sir,

With reference to the cancellation proceedings outstanding against your homestead and pre-emption entries for the East half of Section 34, Township 23, Range 8, West of the 4th Meridian, I beg to inform you that a Homestead Inspector visited your land on the 22nd ultimo and reported that the only improvements thereon consisted of a frame house, value $75.00, the fence taken away, eighty acres broken on your homestead which has gone back to grass, and that your neighbours credit you with residence for just while you did the breaking and put in the crop in each year, namely in 1915, 1916, 1919 and 1920 about two months in each year.

According to the information furnished by the Inspector it would appear that your entries are seriously in default and the Department would be justified in carrying out cancellation. In view of all the circumstances of the case, however, it has been decided to allow you a final period of thirty days from this date within which to furnish the Agent of Dominion Lands at Lethbridge with satisfactory evidence in the form of a statutory declaration that you are in residence on your land with the intention of remaining there and completing the required settlement duties.

Should you fail to furnish the evidence within the time required the aforesaid official will cancel your entries and dispose of the land in accordance with the regulations.

Application by proxy cannot be made by the agent of a person unless such agent is acting on behalf of father, mother, brother, sister, son, daughter or husband, with authority to make the entry, or unless in such case the proxy was required to appear personally at the office of the Local Agent or Sub-Agent.

No fee is charged in connection with a soldier's entry.

The entry fee if taken as a homestead will be $10.00. An entry fee of $10.00 will be charged if there are improvements upon the land stated to be worth $ 75.00

Payment for Improvements.

Before a person is entitled to entry for a homestead or Soldier Grant he must pay for improvements, if any, there are upon the land for which he applies, as fixed by the Minister of Soldier Settlement or valuator of such improvements. Should he fail to make such payment his entry may be liable to cancellation.

In the event of a settler disputing the correctness of a valuation, or if the value of the improvements is placed at over $2500, the Agent may refer such improvements to be examined and valued by a Homestead Inspector. If a settler has been paid the amount mentioned in a valuation and has not paid the amount required by the valuation, he is liable to be charged with the full amount of such valuation.

Payment of Indebtedness Charged Against Land.

The following indebtedness is charged against the land: $ 40.00 & INT. for improvements. If not sufficient to make up the amount of the valuation, settler is required to pay the full amount of such valuation.

Re: Account of Ed. Oswald O'Malley
N.E. 34-43-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $40.00 was advanced to Ed. Oswald O'Malley on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 40.00	$ 72.00	$ 112.00

The N.E. 34-43-8-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 26th of April 1923.

According to Abstract of Title the land is presently in the name of Credit Foncier Franco Canadien, clear of any encumbrance.

As the lien was never registered against the land and there is no further security it is recommended that the indebtedness be cancelled.

Deceased soldier.

I beg to advise you that as the Department has received evidence of the death while on active service of your son who appears to have held the above land under homestead entry, it has been decided that patent for this land may be issued in the name of the deceased entrant without calling for the performance of any further settlement duties.

This action will however be delayed for a reasonable period so that you may have an opportunity of stating where you wish the official notice of the issue of patent to be sent. Kindly advise the Department in this connection at your early convenience.

Your obedient servant,

Assistant Secretary.

Re: Account of Jacob C. Hurmon,
E.½ 1-37-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $95.00 was advanced to Jacob C. Hurmon on the security of the above mentioned land. A payment of $40.00 was received in 1927 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 95.00	$ 135.75	$ 230.75

Patent was issued in the name of Jacob C. Hurmon for the S.E. 1-37-6-W.4th on the 12th of February, 1918, subject to the 1915 lien. The N.E. 1-37-6-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 8th of August, 1925, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North East quarter is unalienated Crown land while title to the South East quarter is vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under Grazing Lease as issued by this Department and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale or used for farming purposes in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Dear Sir:

Re: Samuel Bollinger
Dominion and Joint Relief Advances
S.W. 14-16-1-W.4th.

The above party obtained the following Dominion and Joint Relief Advances giving as security liens on the title to the above land.

Dominion advances

Relief 1915	20.00
Relief 1916	16.05
Relief & Fodder 1916	126.05
Fodder 1915	13.60

Seed Grain 1915	75.00
	$ 261.20
Interest to May 31,1952	137.46

Paid	235.00
	$ 163.66

Joint Relief

April 27,1920	
Mar. 31,1920	$33.60
April 20,1921	63.00
April 2,1922	33.75
	7.40
Interest Mar. 31,1953	137.75
	324.06
Nov. 21/23 on A/C Int.	401.81
	1.45
	451.36

My office has been approached by a solicitor in behalf of Mr. Bollinger and the sum one hundred and fifty dollars ($150.00) was tendered in settlement of the above accounts.

I am advised that the debtor has no assets other than the above with the exception of a small house in Medicine Hat. In past years he has been receiving a little revenue from the above quarter section but as it is situated in a township

which has been declared eligible for awards 8 years under the Prairie Farm Assistance Act, the revenue has not been great. He has been supplementing this revenue by doing odd jobs in the city of Medicine Hat but as he now is 68 years of age his earnings are becoming quite small. The above property has been sold for Three thousand two hundred dollars ($3,200.00) which appears to be a fair price and the debtor feels that with care he can provide for himself and wife until the Old Age Pension is paid at the age of 70. The debtor will receive the Old Age Pension in approximately 2 years but the wife will not automatically be eligible for payment for some little time as she is only 64 years of age.

In view of the circumstances it is my opinion that a reasonable offer has been made particularly when consideration is given to the fact that taking into consideration previous payments, practically the whole of the original advances will have been recovered. It is my recommendation that the sum of Twenty-six dollars and twenty cents ($26.20) be applied on the Dominion account which will make the total recovery equal to the original advances and that the balance of the payment, one hundred and twenty-three dollars and eighty cents ($123.80) be applied on the Joint Relief advances, the balance of both accounts then being written off and the liens discharged.

Provincial Seed Grain advances in the original amount of Two hundred and ninety-nine dollars and seventy-two cents ($299.72) together with accrued interest have already been cancelled.

Yours very truly,

CHIEF CLERK

Mr. Perrin

S.E.¼ 27-83-21-W.5th Mer. Hstd.
Entry granted - 2nd July, 1919.
N.W.¼ 33-83-21-W.5th Mer. S. C.
Entry granted - 22nd October, 1919.
Robert Slater.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $2225.00, as follows: stock and equipment $1225.00; permanent improvements $1000.00. The Board holds no other land security.

The entrant has applied for patent claiming duties as shown on forms 538 hereunder. Apparently the duties have been performed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent would not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 9th ultimo, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board. It is stated in the memorandum that the request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act, as the advances were approved and made to the settler subsequent to his having obtained entry to the land in question. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

TO WHOM IT MAY CONCERN:

WHEREAS Robert Slater, a "settler" within the meaning of the Soldier Settlement Act, 1919, who holds under entry two parcels of Dominion Lands, namely, the S.E.¼ 27-83-21 W.5th and the N.W.¼ 33-83-21 W.5th Meridian, on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said Robert Slater, who is residing on the said land. The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1321.

NOW WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1321, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid or gaseous, to be vested in The Soldier Settlement Board of Canada.

DATED at Ottawa, this 16th day of May, A.D. 1929.

Memorandum:

N.W.¼-2-74-16-W.5th M.
Hd. F. Ghostkeeper(deceased)
Entry granted 19th May,1913.

The settlement duties performed in this case have been done in error on the S.E.¼-11-72-16-W.5th M., cornering the homestead. Kindly see sketch on margin.

The facts of this case are fully set out in Mr. Rowell's memorandum dated the 10th instant, hereunder.

It has been the practice, when the residence has been done on an adjoining quarter section owing to error, to allow the homesteader to remove the buildings to the proper land and after three months' residence thereon, to allow him to count to his credit all residence performed in error on the adjoining land, or to allow him the privilege of transferring his entry, but this latter action is only allowed when the lands affected are ordinary Dominion Lands.

I know that it was the practice to arrange for the surrender of school lands, excepting in the case of a squatter before survey, but as I considered this to be a deserving case, I submitted it for Mr. Checkley's consideration, and asked him if he knew of any way of assisting Mrs. Ghostkeeper.

Mr. Checkley's memorandum of the 24th December, 1914, sets out that he knows of no way in which it would be possible to help Mrs. Ghostkeeper, unless it would be by recognizing the purchase by Mr. Ghostkeeper of the interest of the Indian, Casmir Badger, provided the latter was eligible for entry and had settled upon the S.E. ¼-11 prior to survey.

I suppose it would hardly be advisable to hold out this hope to Mrs. Ghostkeeper as the chances are that the Indian was not eligible to make homestead entry.

Under these circumstances it would seem that Mrs. Ghostkeeper should be told to move her buildings on to the homestead of her deceased husband.

Respectfully submitted,

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Entry granted 19th NOV., 1913.

Referring to decision under, I beg to say that as the legal representative of the deceased entrant has broken and cultivated 15 acres of the South East quarter of 11, in the same township, she should in my opinion be allowed credit therefor and under the circumstances be required to break and cultivate 15 acres only of the late Mr. Ghostkeeper's homestead.

I submit this point for settlement.

Re N.W.¼ - 2 - 74 - 16 - W. 5th.
Agency File #1930.

Referring to your letter of the 31st October last, enclosing report by Homestead Inspector McMullen in reference to the homestead entry of the late Francis Ghostkeeper for the above described quarter section, I beg to inform you that the Dominion Lands Act of 1908, (vide section 39) precludes the transference of the entry to the South East ¼ of Section 11, in the same township on which quarter section are the improvements which the late Mr. Ghostkeeper purchased from the Indian, Commissioner, and on which Mrs. Ghostkeeper has broken fifteen acres and erected some fencing.

Under the circumstances, it will be necessary for the Standard Trust Company, the administrator of the estate, or its appointee, to remove the improvements in question to the homestead without unnecessary delay. Kindly notify the Company accordingly.

I may add that it has been decided to allow the estate credit for the fifteen acres of breaking on the School Lands quarter section and under these circumstances it will be necessary for the estate to break only fifteen acres of the homestead quarter section and crop the same before the administrator will be in a position to make application for patent.

Sir,

I am directed to inform you, inreply to your letter of the 13th January last, the subject of which was referred to the Deputy Minister of Justice in February last, that it has been decided that if your two half-brothers do not belong to any particular band of Indians, and if they are not children of any male person of Indian Blood who belong to such a Band or if they are not in treaty and receipt of annuity money, or if they do not belong to any irregular band of Indians or do not follow the Indian mode of life they may be granted homestead entries.

The letter containing the opinion of the Deputy Minister of Justice is as follows:-

"Replying to your letter of the 13th instant -Col Oct. 31- which you ask for my advice as to whether the suggestion of Mr. Cornwell who recommends that homestead entries be issued to two Indians, half-brothers of Mr. John Lecaine, of Wood Mountain, may be followed, I have the honour to state that as there does not appear to be any statute rendering them ineligible, there is nothing to prevent the suggestion being carried out, if they comply with the requirements of the Dominion Lands Act."

That letter was written upon the assumption that none of the obstacles mentionin in the first part of this letter exists.

Sir,

I beg to acknowledge the receipt of your letter of the 18th ultimo with respect to the estate of the late Francois Ghostkeeper who during his lifetime held entry for the N.W.¼ of Section 2, Township 74, Range 16, W. 5th M., and have noted that you state that the original holder of this land squatted on it previous to survey and that a number of improvements were actually made before the said survey; it is presumed, however, that this statement refers to the S.E.¼ of 11--74--16, W.5th M. and not to the N.W.¼ of 2.

It appears that the late Francois Ghostkeeper paid Cassimire Badger, an Indian, $450.00 for the improvements which are now found to be upon the S.E.¼, although the late Mr. Ghostkeeper thought they were on the N.W.¼ of 2, and consequently made entry for the latter quarter-section.

In this connection I may say that under the provisions of the Dominion Lands Act, homestead entry can only be granted for

a portion of a school section where it can be proved that the applicant settled on the land prior to survey and continued to reside upon and cultivate it in accordance with the provisions of the Dominion Lands Act until surveyed.

Even if it were decided to recognize the purchase by the late Mr.Goostrey or of the interest of the latter, C.Harper, it would only be possible to do so, provided the latter was eligible to make homestead entry and had settled upon the land prior to the survey in accordance with the provisions of the Dominion Lands Act, otherwise the Department has no power to release the land, from the School Lands endowment.

I may further inform you that it has recently been decided by the Deputy Minister of Justice that an Indian can only be granted entry for a homestead provided he does not belong to any particular band of Indians, that is not the child of any male person of Indian blood and belongs to no band, that he is not in receipt or entitled to receipt of annuity moneys, that he does not belong to any irregular band of Indians and that he does not follow the Indian mode of life.

The loss of money expended on these improvements and also the loss of crop and the additional expense of removing the buildings and fencing will prove a very serious matter to the beneficiaries, and, under the circumstances, we are writing to ask the Department whether it is not possible to reimburse the Estate for the improvements on the School quarter from the School Lands Fund pending the sale of the School section when we presume that the Estate would be justly entitled to receive the amount expended on improvements from /

Sir:

I beg to acknowledge receipt of your letter of the 5th of March last, and to express regret that owing to an oversight the same has only just come before me for reply.

I note that in the communication referred to you say that the legal representatives of the late Bruce H. Ghostkeeper is re-imbursed for the improvements made in error on the [illegible] of 11-6-10-4th W., which is school land.

In reply I may say that it will not be possible for the Department to meet your wishes in regard to this matter as the improvements were made on this land without authority. There would, however, be no objection to the legal representatives taking away any improvements that are moveable, and this should be done at the earliest possible moment.

With respect to your inquiry as to whether the beneficiaries of the estate of the late Mr. Ghostkeeper would be entitled to any amount collected from the purchaser of this quarter-section for the improvements in question, I may say that it is hardly probable that a sale of school land will be held for some time to come, and of course, the purchaser would only be called upon to pay for

any improvements of value upon the land at the time he purchased the same. In the event of any sum being collected for the improvements in question, it would then be a matter for consideration as to whether the estate was entitled to a refund of the amount so collected.

We refer to our letter of the 17th July last when we asked whether the estate had the right to make application for patent for the N.W. 2-44-19 W.4th of Mer. Gentlemen,

Re E... of 2-74-16-4.5th L.

I beg to acknowledge the receipt of your Mr. Liddlemass' letter of the 11th instant, in reference to the above described quarter-section, entered for as a homestead by the late Francois Ghostkeeper on the 19th May, 1913, and in reply would say the estate will be given credit for the cultivation performed on the South East quarter of Section 11 in the same township, such cultivation, it is understood, consisting of fifteen acres of breaking. It will be necessary for you, however, as Administrator of the estate to break fifteen acres of the homestead quarter-section, bringing the total amount of cultivation up to thirty acres; such cultivation on the homestead to be cropped once before application for patent is made. It would seem, therefore, that if the required work is done next season and a habitable dwelling house is placed upon the land, you will be in a position to at once make application for patent.

With reference to the cultivated area on the School quarter-section I might add that if the

estate

estate desires to continue to crop this land, the Department will consider an application for a lease of the area under cultiv.tion at a rental of 50 cents per acre per annum. Were a permit granted, however, it should be understood that it would be for the period between the 1st April and the 1st November in any year, but it could be renewed from year to year at the pleasure of the Minister, on the understanding that no additional breaking is to be made.

Your obedient servant,

Assistant Secretary.

Dear Sir:-

Re Francois Ghostkeeper Estate, 105
Your File 1942955

We have just received your letter of the 25th ult., and note your remarks.

We have been making further enquiries with regard to the transaction by which the late Mr. Ghostkeeper became entitled to a free grant for the S.E. ¼ 11-71-16 W. 5th and which free grant was refused in the Department's letter of 4th July, 1916. If you will refer to our letter of the 8th September, 1915, you will find that this land was occupied before the extinguishment of the Indian title, Daniel Badger being in peaceable and undisturbed occupation of the land. Prior to and at the time of the first treaty and according to Section 76, Subsection C of the Dominion Lands Act, he would be entitled to obtain free grant. This subsection reads as follows:

> "Upon the extinguishment of the Indian Title in any territory or tract of land, make to persons satisfactorily establishing undisturbed occupation of any lands within the said territory or tract at the date of such extinguishment, by their own residence or that of their servants, tenants or agents, in actual peaceable possession thereof, free grants of the said lands, provided than an area not more than equal to a quarter-section shall be so granted to any one person unless there has been cultivation of more than that area."

Badger was, therefore, entitled to a free grant and he had the right to dispose of his rights to such free grant. Accordingly Daniel Badger sold his rights to Paul Muskanac, who in turn sold his rights to Casimir Badger, who in turn sold to Francois Ghostkeeper. Ghostkeeper obtained advice from the Dominion Lands agent and from the local Indian Agent before entering into the transaction. He actually purchased these rights for $450.00, and the Department's argument that the /

original transfers had not been filed can hardly stand, as when these matters were taken up first it would have necessitated a trip to Edmonton to have documents legally prepared and this would have been more than the land was worth. At the time Badger squatted on this land Andrews squatted on the adjoining quarter section and he has received his free grant. If Andrews has the right to receive free grant and Badger had that right, which was transferrable, then we cannot see where there is any difficulty in granting patent to the land to the beneficiaries of the Ghostkeeper Estate. Affidavits have been filed with the Department from Chas. Andrews and Adam BigCharles, who also got patent for his land in the same settlement under the authority of the same Act, and we are advised that recently Mrs. Eaton obtain patent for Lot 8, Shaftsbury Settlement, in exactly the same way as we wish to obtain patent for the Ghostkeeper Estate for this land.

We claim that the case of Mrs. Eaton has formed a precedent and we are entitled to the same consideration as she received. The beneficiaries of the estate are in needy circumstances. Ghostkeeper himself performed duties on the land and was under the impression that he had the right to obtain free grant as he had been advised that matters were all in good order by the Indian agent and by the Dominion Lands Agent. The question of his homestead is an entirely different matter as he filed on the homestead himself, but this is a question of a free grant which we claim should be allowed to the beneficiaries of the Ghostkeeper Estate.

We are submitting this matter again to you for consideration, and in view of the Department's decision in the Eaton case we shall be glad to hear that you can give some further consideration and give a free grant to the Ghostkeeper Estate for the S.E. Quarter of 11.

Yours truly,

The Standard Trust Co.,

Memorandum:

OTTAWA -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: A. H. Bryant,
S.E.¼ 22-55-12 W.5th M. (Hsd.)
N.E.¼ 22-55-12 W.5th M. (S.G.)

The above-described land is the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 14th March, 1919, the settler secured advances from the Board totalling $700.00, as follows: stock and equipment, $500.00; permanent improvements, $200.00. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Commissioner of Dominion Lands to the settler, dated the 21st October, 1923.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1221, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 22-55-12 W.5th M. and the N.E.¼ 22-55-12 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 2c of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant, and $390.78 of the advances subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

OTTAWA - 7th April, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a .

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Henry L. Ford No.47000
S.E.¼ 23-55-12 W.5th M. - S.S.
S.W.¼ 23-22-12 W.5th M. - Rd.

The above named settler secured advances from the Board totalling $1712.; the Board taking a charge upon his unpatented soldier grant and homestead above described. Owing to such charge, patent to the soldier grant and homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Ford, requesting that patent to his soldier grant and homestead should be issued in favour of the Board. Mr. Ford states that he has completed all duties in connection with his soldier grant and homestead and would be entitled to receive patent thereof were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler dated the 27th February, 1924, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1321) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty, in the S2 of 23-55-12 W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

AND WHEREAS Henry E. Ford is a settler with the meaning of the Soldier Settlement Act who holds the

S½ 23-5-5-12 W 5th Mer.

Dear Sir:-

Ex-Sapper George D.Sutherland,No.502546,of the 8th Field Company, Canadian Engineers,who is a member of this Association has been to see me in connection with the above noted land. He states he obtained entry on this Homestead on May 26,1913. He enlisted on the 10th of December,1915, at Calgary in the Engineers and his leg was badly crushed at Lens on March 1st,1917.He is now in receipt of pension and his disability interferes with his doing the balance of his homestead duties.

As this land,according to his statement,is heavily wooded and as he has cleared 90 acres and done probably more work than is usually done on a Homestead for patent, I would be glad if the matter could be investigated with a view of giving this disabled soldier a patent on the land.

Faithfully yours,

Secretary.

The Honourable Charles Stewart,

Memorandum:

Request for Transfer of Dominion Land.
Re:
William Bartlett Morong, #2057374.
S.W. 8-73-5-W.6th.
S.W. 5-73-5-W.6th.
- 320 acres -

On the 15th June 1919, the Board approved a loan of $1800.00 in favour of William Bartlett Morong, a qualified Soldier Settler, and, as security for it's advances, the Board impressed a charge upon the above-described land, the homestead and soldier grant entries respectively of the said settler. The loan in this case was subsequently increased to $3000. of which amount $2194.00 was disbursed by the Board in the purchase of stock and equipment and permanent improvements on the settler's behalf.

Early reports in this case indicated this settler to be, thrifty, industrious, and a fair farmer. Very good progress was made until in the fall of 1923 for no apparent reason the settler abandoned the enterprise. In order to protect it's interests the Board was obliged to institute adjustment proceedings and in the course the agreement of the settler was rescinded pursuant to a Thirty Day Notice served on the 15th May, 1924.

The land in question being "Charged Land" within the meaning of section 7 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler, and also the right, title and interest of His Majesty to and in the said "Charged Land" be vested in the Board.

A Vesting Order for your signature is attached hereto.

Encl.

Chairman.

TO ALL WHOM IT MAY CONCERN:

WHEREAS it is in effect provided in and by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. V., that notwithstanding anything in the Dominion Lands Act or in any other Act, in the event of a settler who is holding any Dominion land on which a charge has been imposed, constituted or created by or under the said Act or the former Act, being in default with respect to the terms or conditions of any agreement of sale, mortgage or other document executed or made with or to the Soldier Settlement Board of Canada, (hereinafter called the Board) the Minister of the Interior, (hereinafter called the Minister), upon request made by the Board, may declare the right, title and interest of the settler to or in such charged land to be forfeited, whereupon the Minister may declare the said title or interest of His Majesty to or in such charged land to be vested in the Board.

AND WHEREAS William Bartlett Morong formerly of Kleskun Hill, in the Province of Alberta a settler holding the following described Dominion land, viz: South West ¼ of Section 6, Township 73, Range 3, West 6th Meridian; South West ¼ of Section 5, Township 73, Range 3, West 6th Meridian. (Homestead and Soldier Grant Entries respectively)

upon the security of which the sum of $2934.00 has been disbursed and upon which a charge has been created by virtue of the provisions of Section 27 of The Soldier Settlement Act, 1919, being in default with respect to the terms and conditions of the Agreement executed to the Board on the 2nd July, 1919, in that he abandoned the land for the working, improvement and occupation of which advances were made to him by the Board, and otherwise failed to comply with the Loan Regulations of the Board, the undersigned upon a request

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

To Mr. W. Martin,
Dominion Lands Commissioner,
Homesteads Department
Department of the Interior.
Ottawa, Ont.,

Dear Sir :-

Re S.W.¼ 13-79-21- W. 5th Mer.
Arthur Allain, Falher, Alberta.

My client Mr. Xavier Allain, father of the above mentioned party, Mr. Arthur Allain, neighbours at Falher, Alta., requests me to write you to get the following informations:

Mr. Arthur Allain is the owner of the South West quarter of Sec. 14 Towns. 78 Range 21 West of the 5th Mer., and he wants to exchange the said quarter with one belonging to his father Xavier Allain, such quarter being the North West quarter of Sec. 14 - Towns 78, Range 21 West of the 5th Mer. Mr. Xavier Allain having his residence on the S.E.¼ of Sec. 15, Towns. 78 Range 21. W5th Mer.

Mr. Arthur Allain has on the South West quarter of section 14 aforesaid 65 acres broker and cleared, though he was supposed to clear and break only 50 acres. The reason for the exchange proposed with his father is that Mr. Xavier Allain would be nearer to the said quarter and then it would be easier for them to cultivate it.

Now we would like to know if the proposed exchange would prevent or delay Arthur Allain from getting hispatent for the South West quarter of Sec. 13 Towns 79, Range 21. West of the 5th Meridian, the latter land being his Soldier Grant.

Hoping to hear from you at your earliest convenience.

Yours very truly,

J. A. Olivier, Per.....

Sir,

Re L.A.[illegible] 15-79-21-...5th M.
Soldier grant - Arthur Allain.

I have your letter of the 16th January last, requesting to be advised on behalf of your client, Mr. Arthur Allain, whether his interest in his unpatented soldier grant would be affected were certain negotiations between himself and his father, Mr. Xavier Allain, in the matter of an exchange of property, to be consummated.

I may say, in reply, that an exchange of the patented lands owned by the Messrs. Allain is a personal matter between the persons concerned, and the Department has no objection to offer. However, Mr. Allain Jr., will require to perform the duties for his soldier grant strictly in accordance with the regulations.

Memorandum:

Mr. Hume.

S. E. 16-54-16-W. 4th M.
Homesteed: Charles Hunt.
Entry granted - 24th August, 1914.

Mr. Hunt has had sufficient military service to satisfy the requirements of the department with regard to residence as he was discharged from the army suffering from a disability but was advised that he would be able to apply for patent when he could show the breaking of 20 acres or the equivalent thereof and the same prepared for crop in one season.

In July, 1921, he executed a Declaration of Abandonment in connection with this quarter on condition that he be allowed to count the time he was in the army on a new entry. A report was called for and the inspector stated that the none of the land was fit for cultivation, soil very poor and very stony. Mr. Hunt was allowed to transfer his entry to the S. E. 16-54-16-4. 4th M. This action was taken on the 21st June, 1923.

Cancellation proceedings were instituted on the 24th March last, for failure to apply for patent.

Inspector Sullivan reported on the 9th August, no improvements of any description.

General Remarks:-

"There is nothing done on the place. I was told
"that entrant left for the U. S. A. about three
"years ago."

A report from the Pension Board shows that Mr. Hunt was receiving 5% disability which he commuted in October, 1920.

In view of the above, I suggest that the agent be instructed to cancel this entry and to post for settlement.

Sir:

Re S. 1- 63- 4- E. 4th M.,

I beg to acknowledge the receipt of your letter of recent date in reference to the re-location proceedings initiated against your father about ... for the above described quarter section.

In reply I may say that your statement regarding residence is not sufficiently definite to deal with your case, as you claim that you were in continuous residence on from the 1st April 1927 to the date of your statement, but the statement in question is undated.

Under the circumstances I am to request you to fill in and return here within the next thirty days the enclosed Form 18 with a statement to date be sent in and acts of cultivation of the residence performed by you on your pre-empted quarter-section S. 1- 63- 4- E. 4th M., since you applied for same on the 21st May 1926. You should at the same time set forth on the form in question the cultivation operations performed by you in each year on the homestead.

On receipt of this document here your case will receive further attention and you will be communicated with again.

I beg to acknowledge the receipt of your letter and statement of recent date and in reply I am to advise you that in view of the road zones and cultivation outlined thereon, it has been decided to hold over the cancellation proceedings entered to obtain your entry to the 1st of August next to give you an opportunity to complete your duties and of then advising this office that you are ready to submit proof in support of your application before the Local Agent at Edmonton or Sub-Agent for the district and enter application for patent.

Sir,

M.L. 4-63-4- .4th l.

With reference to the cancellation proceedings outstanding against your soldier grant entry for the above described quarter section, I beg to inform you that a report has been received from one of our Inspectors and in view of the evidence contained therein, it would seem that you may have completed the requisite residence duties. The Inspector, however, states that you have done nothing on the soldier grant in the way of improvements since you applied for patent for your homestead, the .. 9-63-4- .th .., but that you have fifteen acres on the homestead, making a total of seventy acres thereon.

As you have performed your residence duties by residing on your patented homestead, any cultivation duties performed on the homestead other than that required for the earning of title for the quarter section could be counted to your credit in connection with your soldier grant.

Under the circumstances, if you are satisfied that the requisite cultivation duties have been completed, you should immediately on or before the 1st of February Lands, Edmonton, or a Sub-Agent for the district in which your land is situated, with two competent witnesses and make formal application for patent.

Kindly advise the Department within thirty days from this date what your intentions are with respect to this matter.

MEMORANDUM.

Mr. W. S. Gliddon,
Acting Director,
Land Patents Records Division.

It would appear according to the field notes that a description is required in this case for the whole of the North East Quarter of Section 4-56-4-4.

This quarter section is crossed by the Beaver River, as shown on the township plan, the area north of the river being 80.1 acres and the area south of the river being 68 acres.

The application for patent as approved covers the whole quarter Section and, according to the entry paper on file, entry was granted for the whole quarter Section, but the area mentioned is 80.1 acres, which is the area north of the river.

Will you please let me know whether a description is required in this case for the land on both sides of the river or for only the land on the north side.

Director, Technical Division.

purchase.

If it is not proposed to advance funds for this purpose the Department could take cancellation proceedings against the entry, merely a formality in this case, and cause the entry to be cancelled on the expiration of sixty days from the date of the institution of such proceedings, thus extinguishing the claim of the estate, whereupon the land could be made available for entry again by another settler.

Under the regulations there is provision for granting the personal representative of the estate a Certificate of Recommendation, under and by virtue of which he is enabled to mortgage, assign or transfer the interest of the estate in the land prior to the issue of patent and by this means raise the necessary funds with which to discharge the indebtedness. This would entail the submission of Letters Probate of Will of the deceased, or if he died intestate, Letters of Administration, which should be procured out of the Surrogate Court of the Judicial District in the Province in which the land is situate. If you care to consider this and desire legal services, I would suggest that you communicate with the Deputy Attorney-General at Edmonton, who may be in a position to assist you in the matter of securing administration of the estate.

I am forwarding a copy of this letter to your sisters, Mrs. J. A. Thompson and Mrs. L. Ferrow, for their information and guidance as it is desired that they also should have an opportunity of expressing their wishes in the matter they having written in response to previous advices in this connection.

Entries of James Turnbull Thompson.

I am to acknowledge your letter of the 23rd June last, in reference to the estate of your deceased brother, the late James Turnbull Thompson, with particular reference to his homestead and pre-emption and in this connection to report as follows:-

The late Mr. Thompson was granted entry for this half-section subject to performance of settlement duties, and in the case of the pre-emption payment of the purchase price of $3.00 per acre. In view of the death of the entrant effective service all duties for the homestead and pre-emption are waived with the exception of payment of the purchase price in the latter connection, and patent for the homestead has issued on the 10th April, 1918.

Dominion lands are subject to taxation by the Government of the Province, and in the case of non-payment the land assessed may be sold by the Municipality. Unless some action has been taken by the estate to meet the assessment in this case it is probable that the land has been forfeited. Under the circumstances, unless the beneficiaries intend to take some action to hold their equity in the pre-emption there would be no benefit in your completing payment of the purchase price due the issue of patent for this quarter-section. The Department cannot accept a formal abandonment of an entry except from the entrant, or in the event of his death from the personal representative of his estate, and as letters probate of will or letters of Administration have not been filed, neither you nor any other member of the family has any authority to abandon the entry. However, on receipt of this letter you should advise the Department as to your intentions with regard to payment of the purchase

Re: Account of W.G. Wahl
N.E. 33-3-8-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $ 80.00 was advanced to W.G. Wahl on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 80.00	$ 139.86	$ 219.86

The N.E. 33-3-8-4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 6th of May 1921 and the land is still unalienated Crown Land held in the right of the Province.

The land is described as very hilly with ravines and coulees and is only fit for grazing purposes.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Sir:

I beg to acknowledge the receipt of your communication of the 19th instant, reference 1485, enclosing a statement from Mr. George M. Klevjer, filed in defence of the application to cancel his homestead entry for the S. W. ¼ of Section 5, Township 21, Range 1, West of the 4th Meridian.

In reply I am to say that in view of the evidence contained therein, it would appear that Mr. Klevjer has been in continuous residence with his father on the N. ½ of Section 32, Township 19, Range 1, West of the 4th Meridian, and that he has 30 acres broken this season. Under the circumstances, his entry would not be liable to the institution of cancellation proceedings, and if proceedings have already been instituted you should abandon same. If, however, proceedings have not been instituted no further action is necessary at present.

Re: Account of George Milton Klevjer
W.½ 5-21-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1921 seed grain amounting to $107.05 were advanced to George Milton Klevjer on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 107.05	$ 238.80	$ 345.85

Patent was issued in the name of George Milton Kelvjer for the S.W. 5-21- -W4 on the 23rd of March 1920. The N.W. 5-21-1-W4 was formerly the pre-emption entry of the debtor whose entry was cancelledon the 3rd of November 1924, and the land is still unalienated Crown Land held in the right of the Province.

In 1929 the S.W. 5-21-1-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

This half section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

C.W. Gilchrist.

Re: Account of George Milton Klevjer
W.½ 5-21-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1921 seed grain amounting to $107.05 were advanced to George Milton Klevjer on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 107.05	$ 238.80	$ 345.85

Patent was issued in the name of George Milton Kelvjer for the S.W. 5-21-1-W4 on the 23rd of March 1920. The N.W. 5-21-1-W4 was formerly the pre-emption entry of the debtor whose entry was cancelledon the 3rd of November 1924, and the land is still unalienated Crown Land held in the right of the Province.

In 1929 the S.W. 5-21-1-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

This half section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

C.W. Gilchrist.
